You are invited to the "Expect Miracles" Gala hosted by News Channel 12's Rick DeBruhl and his wife, Patricia DeBruhl, an oncology social worker for Banner Desert Hospital, for an evening of excitement and joy as we celebrate and raise money for the St. Peregrine Chapel - Arizona's first Adoration Chapel devoted to serving persons affected by cancer. Special concert by renowned performing artists Julie and Kurt Carrick, live and silent auctions, and a chance to bid on sculptor Sandi Clark's model of the bronze statue commissioned exclusively for the chapel!
