RULES & REGULATIONS

Amended & Adopted

Thomas J. Olmsted

MOST REVEREND THOMAS J. OLMSTED
Bishop of Phoenix

June 13, 2006
Date

INTRODUCTION

Catholic cemeteries are sacred places that have been specifically blessed by the Bishop to provide Christian burial in an environment of faith and in keeping with the laws and traditions of the Catholic Church. These Rules and Regulations are designed to ensure faithfulness to that mission and for the mutual protection of Burial Rights as a group and the Cemetery as a whole. They are intended to preserve the sacred nature of the Cemetery, protect the living memories of individual's burial within the Cemetery and create a serene and prayerful environment for visitors.

Their enforcement will help protect the Cemeteries and create and preserve their beauty. These Revised Rules & Regulations are hereby reviewed and adopted as the Rules and Regulations of Catholic Cemeteries of the Diocese of Phoenix. Owners of Burial Rights, employees, visitors and contractors and their employees performing work within the property of the Cemeteries shall be subject to these Rules & Regulations and such amendments and alterations as may be adopted by the Cemeteries from time to time, as amended, shall be enforceable with the same force and effect as such Rules and Regulations and amendments as set forth in the Certificate of Burial Right, Purchase Agreements, or any other form or document issued by Catholic Cemeteries.

The Cemetery reserves the right to grant exceptions from the Rules and Regulations upon a showing of what the Cemeteries consider to be special facts or circumstances at the sole discretion of the Cemetery and the granting of any such exception shall not create a precedent with respect to any past or future application of the Rules and Regulations.

Mission Statement

The mission of Catholic Cemeteries of the Diocese of Phoenix is to continue the Church's sacred mission to bury and care for the dead, witnessing to the dignity of human life and the hope of the resurrection, by acting as responsible stewards in providing quality services, resources, comfort and assistance to families in a sacred and spiritual environment.

PLANNING FOR A CATHOLIC BURIAL

For the Catholic, burial in a Catholic cemetery is a witness of our faith and belief in the eventual resurrection of the body. Therefore, selecting Interment in a Catholic cemetery acknowledges a person or family's acceptance of this spiritual mission of the Church. When selecting a Catholic cemetery, each person recognizes the sacredness of the cemetery as the final fulfillment of our spiritual life on earth and our respect for the Church and its members.

- A. Burial in a Catholic cemetery is a privilege for the person of faith. Catholic cemeteries strive to maintain beautiful grounds and provide Christian service that is affordable for the family.
- B. Policies have been set up by the Catholic Cemeteries of the Diocese of Phoenix to assist the survivors in preparing for burial in a Catholic cemetery.
- C. Ideally, arrangements for the Vigil, the Funeral Mass, and the Committal Service should be made first. Then, the cemetery arrangements should be made to be sure that the time and date requested is available. Finally, arrangements should be coordinated with the mortuary for time, casket and type of services.
- D. The authorized person(s) making at-need arrangements for the burial must do this in person, so as to avoid any misunderstanding or confusion.
- E. The day and hours of services are to be agreed upon by the cemetery, funeral director and the parish priest or minister, and then definite publication may be confirmed in the news media, church bulletin and the cemetery.
- F. When a Catholic cemetery is available, Catholics should be encouraged and urged to choose it for the burial of themselves and members of their families.

BURIAL OF NON-CATHOLICS IN A CATHOLIC CEMETERY

Non-Catholic relatives of Catholics are welcomed and encouraged to use the Catholic cemetery in order that families can be buried together.

Members of "communities not in full communion with the Catholic Church" may use a Catholic cemetery when such decision is made in keeping with Christian beliefs and practices of the individual or family (reference **Directory for Application of the Principles and Norms of Ecumenism**, March 25, 1993 by the Pontifical Council for Promoting Christian Unity, #137).

- B. If Catholic Cemeteries of the Diocese of Phoenix consents to the Disinterment, Catholic Cemeteries will designate the persons who must be notified and from whom written consent must be obtained before Disinterment can take place.

There will be a charge for this provision.

3. Establishing a time and date for Disinterment/Disentombment after Notice is given.
4. The Cemetery may at the discretion of the Executive Director require a Court Order before Disinterment/Disentombment takes place.

8. Remove the remains from the Burial Space.
9. Remove the Outer Burial Container.
10. Backfill the excavation to grade level in a manner according to standards set forth by Catholic Cemeteries for a Disinterment. Clean the interior of the Crypt for a Disentombment in a manner according to standards set forth by Catholic Cemeteries.

The Disinterment/Disentombment will take place with the understanding that if at any time during the process it were determined that continuation of the Disinterment/Disentombment would place personnel at risk beyond acceptable standards, the Disinterment/Disentombment process may be stopped.

It is further understood that the Disinterment/Disentombment process will always be conducted in a manner respectful to human remains.

The person responsible for the Disinterment/Disentombment will designate a funeral director who will assume complete responsibility for the remains once the remains are brought to the surface of the Burial Space and will remove the remains from the Cemetery.

The person responsible for the Disinterment/Disentombment will be fully responsible for hiring personnel and companies to perform the Disinterment/Disentombment acceptable in the sole and absolute discretion of Catholic Cemeteries.
