

*Where will you be?*  
Notre Dame Class of 2009  
**Project Graduation**

*Project Graduation*  
Tuesday, May 19th, 2009 Immediately following the Ceremony  
Notre Dame Attendance Contract

Due no later than April 21, 2009

I \_\_\_\_\_ and my graduate \_\_\_\_\_ do hereby agree to all rules and regulations for the event, Project Graduation. I understand that the intent of the event is to provide a safe drug and alcohol-free celebration, and there will be a zero tolerance policy for any who do not abide by that rule. If a graduate is found to be under the influence or in possession, you will be called to pick them up.

My student will go on the provided bus over to CrackerJax and will be at the check in no later than 30 minutes after the end of the graduation ceremony. If he/she fails to do so, then it will be my responsibility to drive my student to CrackerJax myself and check them in there. No student arriving on their own will be admitted to the event.

The event will conclude at 4:30 am, and I will pick up my student no later than 5:00 am. Early pick up is discouraged unless graduate is ill or there is an emergency. They will not be released unless it is to a parent or with a phone approval from a parent to the event chair to leave.

Student's driving home themselves is discouraged since it is an all night event, and they will be tired.

This event is not a school sponsored event, but it is supported by the NDP Administration as a preferred way for our graduate students to celebrate safely.

We look forward to your attendance; we know you will have a fantastic time.

Colleen Katz and the Project Graduation Committee 2009
