# Memory Lane Senior Posters

February 26, 2009

Dear Senior Parents,

The Memory Lane Posters will be available in the front office. Your child's name will be on a sticker on the back of the poster. We hang these posters at the Project Graduation Party to make "Memory Lane". Think of this as a scrapbook page for your senior. For best results, parents usually color copy their photos and make a collage of special times, family, and friends for their senior on their poster. It is best not to attach anything bumpy. Some parents fill both sides, but only one side will be displayed. These posters measure 11X17. We ask that you not make the poster any larger, because our space to display them is limited. After the poster is completed it needs to be laminated and returned to the front office **by May 13, 2009**. We try to keep this a surprise for our seniors. We wanted to have the posters available to you in February because things become very hectic toward graduation. This gives you time to collect some pictures and start you poster. This is not meant to add stress, but rather to help celebrate this momentous occasion. This is a tradition at Notre Dame Preparatory, as well as other high schools. Many students bring their posters to college with them and display them in their dorm rooms. We would like all of our seniors to have a Memory Lane Poster, so please help spread the word to other senior parents. If you have any questions, may call Judy Sotelo at (480)860-9785 or e-mail [judysotelo@cox.net](mailto:judysotelo@cox.net).

Thank you, Judy Sotelo

And the Project Graduation Committee
