ABOUT CATHOLIC COMMUNITY FOUNDATION

The Catholic Community Foundation is an independent 501(c)(3) that serves families and individuals in their charitable giving and fosters philanthropy in support of the mission of the Roman Catholic Church. The Foundation was created in 1983 with the charge to put a financial floor under Catholic schools and parishes. They are uniquely positioned to carry out this endowment building philosophy and are committed to securing a future in which our vital institutions have the ability to withstand adversity, continue operations, and fulfill their critical missions.

Today, the Foundation manages over 300 different funds which help secure future funding for everything from schools and parishes to organizations that feed the poor, aid retired priests, fund seminarian education, preserve historical Catholic landmarks, encourage youth leadership development, deliver television mass and radio rosary to shut-ins, provide diverse scholarship opportunities, clothe and house women and children, and aid families in taking the necessary steps to become self-sufficient.
